We would like to present you this fabulous new build project in the Marisol urbanisation of Calpe. Just a stone throw away from Calpe centre and its fabulous beaches. At walking distance we can also find several amenities and supermarkets. The terraced houses are build on two floors and have their own private and easy maintenance garden. Furthermore we will find an off-road parking space for each house closed off with an electric gate. the houses have a plot between 139m2 and 328m2. All of them have 3 spacious bedrooms, 2 bathrooms and a separate guest toilet. The kitchen is open plan and there is also a roof terrace with good views. There is underfloor heating with heat pump as well as ducted air conditioning throughout and the hot water be provided via a solar panel. The energy label will be A! As icing on the cake the urbanisation will have a beautiful communal and paddle courts. It is due to be finished all before the summer of 2024. KEY FE...
