This modern apartment complex is located just 10 minutes away from the stunning beach in Pilar de la Horadada. Our project offers 2-3 bedroom apartments in 2 different models. You can choose from ground floor models with a private garden/patio or top floor models with a private solarium. All apartments have a fully equipped kitchen, pre-installation for ducted A/C, fitted wardrobes, complete bathrooms with rain showers, and a parking space. The top floor models also include a summer kitchen on the solarium. Our apartments offer excellent value for money, given their location and features. The community area includes a community pool and a garden area. 79estates Spain has been providing our services since 2019 and is a member of AIPP. Our multilingual staff offers comprehensive sales and after-sales services. Please contact us for more information and to schedule a viewing. Take advantage of this incredible opportunity to own a luxurious apart...
