A modern complex of terraced houses in Daya Vieja, this village sits in the province of Alicante, travel 10km to reach the beautiful beaches of Guardamar. The houses are distributed over 2 floors, 3 bedrooms, 2 bathrooms with an open plan kitchen & living room. The villa includes a swimming pool with parking. Daya Vieja and Daya Nueva are two small neighboring towns located in the heart of the Vega Baja region. Traditionally dedicated to agriculture, especially the cultivation of artichoke and potatoes/p> In recent years they have undergone a great change thanks to residential tourism. Its real estate offer is based on single-family homes with excellent value for money that offer the residents a quiet environment, surrounded by nature. Only 10 km from the beaches of Guardamar and also very close to the main tourist centers of Santa Pola, Torrevieja, or Orihuela Costa. Contact 79estates Spain if you would like to receive furthe...
