New residential complex of apartments in Punta Prima, Torrevieja. The residential is very close to the beach in an area with great services and close to both the commercial area of Orihuela Costa and the center of Torrevieja. The development comprises 2 and 3 bedroom apartments of differing styles - ground floor properties with large terraces, spacious duplex apartments, and penthouses with a private solarium. There is a distinct "tropical island" feel here, created by installing exclusive green spaces with two outdoor swimming pools, leisure & relaxation areas, integrated hammocks, separate children's area, and water jets. There is a communal gym with jacuzzis, sauna and is perfect for both indoor and outdoor use. You also have the option of parking spaces and storage rooms underground with the properties.
