Superb semi-detached villas in La Serena Golf, Los Alcázares. The villa is distributed on two floors, with three bedrooms and two bathrooms, built on plots from 254m²-300m². The ground floor is open plan, with a combined lounge and kitchen/dining area, with large windows that open onto a spacious partially covered terrace. There is also a double en-suite bedroom and a guest toilet on this floor. The remaining two bedrooms and a bathroom are on the first floor, and a pergola-covered terrace overlooking the garden. Villas have an innovative design with curved lines and a combination of materials like metal and glass. Depending on the stage of construction, it is possible to customise the villa from a choice of materials, and, for an additional cost, it is also possible to build a solarium, install a pool in the garden, or do any other extra upgrades. Los Alcázares has 9 km of coast on the Mar Menor and includes town beaches l...
