IN PROCESS

A residential complex of 24 villas delivered in 3 phases. Excellent villa with a private pool and parking. The interior design and equipment of these houses are excellent. First, quality materials and technology are applied to the housing to achieve maximum comfort for the inhabitants. The windows and bay windows are the main protagonists of these properties. The use of large windows has been favoured to introduce the maximum natural light into the house. The complex is only a few hundred metres from the nearest shopping centre. You will find restaurants, supermarkets, pharmacies, and everything you need. Main features: 3 bedrooms, two bathrooms and one guest toilet. One bedroom is on the ground floor and the other two on the first floor, each with its terrace. These houses have a surface of 151. 94 m² and are built on plots of 180 m²—solarium of 27m². Included in the price: Pre-installation Air conditioning Exterior aluminium joinery...
