The luxury resort has 34 apartments with 2 or 3 bedrooms and two bathrooms. These apartments are spread across three blocks and have a communal pool, jacuzzi, gym, children's play area, and a garage with a storage room. The apartments on the ground floor have extensive gardens with terraces, while the penthouses come with solariums and jacuzzis. The pool and jacuzzi are communal and located in the urbanisation. The outdoor areas are made of non-slip stoneware and artificial turf. Additionally, there is a covered gym in front of the pool and a playground area. The basement has parking and storage rooms and an elevator from the basement to the penthouses. The bathrooms of each apartment have electric underfloor heating, and the mechanisms used are of high-quality brands such as Niessen, Siemens, or similar. All rooms have TV, internet, and telephone sockets. Each apartment's living room, kitchen, bathroom, and corridor have LED lighting. The ou...
