A modern apartment complex is being built in the beautiful El Raso neighbourhood of Guardamar Del Segura on the Costa Blanca South. These apartments are available in three options: three bedrooms and two bathrooms, ground floor with garden area, mid-floor with spacious terraces, and penthouse with a private solarium. All the apartments offer spacious open-plan living areas with all-day natural sunlight and views over large, impressive communal areas. The penthouses have external stairs leading up from the terrace to the solarium, where you can enjoy the surrounding views. Each apartment offers a selection of customization option packs, including pre-installation air conditioning, fitted wardrobes, a lighting pack, and a video entry intercom. All master bedrooms come with beautiful en-suite bathrooms. The communal areas offer several pools for adults and children, beautiful gardens around the complex, and children's play areas, making it a gr...
