A new development is located in one of the most beautiful and peaceful areas of the town of Rojas. Very close to the necessary services that the town offers while being surrounded by nature. Its excellent location makes the residential a perfect choice for those who are looking for a calm environment, while still enjoying the comfort and convenience of living in the city center. The development consists of 13 modern terraced villas, on private plots, with large terraces. The villa consists of 3 bedrooms, 2 bathrooms, and a basement. On the ground floor is an open plan living room and fitted kitchen, and a double bedroom with a window to a galleria. The other bedrooms are on the first floor, with a shared bathroom. The large outdoor area consists of a large paved terrace, and driveway for off-road parking. Each villa has been carefully designed with high-quality materials, with the option to personalize it further. By adding a s...
