San Jaime Moraira, Information

The San Jaime area has always been a privileged location in our region for many reasons described below:

- There is a 9-hole golf course, including a social club and a restaurant.
- The Supermarket "Pepe La Sal" is located at the entrance of San Jaime and has a great variety of national and international products.
- The urbanization benefits from large paved streets with public lighting and green areas.
- Several shops, restaurants and services can be found within walking distance.

Information about Benissa - Costa Blanca

The town of Benissa has approx. 4 km of coastline, linking the village of Moraira and Calpe town.

There are many gorgeous coves (Calas), tiny bays, cliff tops and small beaches to explore.

Some are wild and natural and others have cafes and restaurants.

The ecological promenade in Benissa is a protected natural route offering views of the coastline of Marina Alta which reveal its magnificent layout. The path connects three gorgeous coves (Calas) and one sandy beach: **Cala Les Bassetes, Playa Fustera, Cala Pinets and Cala de la Llobella.**

Benissa countryside also contains terraced vineyards, mountains and old finques (country estate) sitting on large plots amongst vineyards with panoramic and sea views.

Spanish village houses with doorsteps directly onto the street, internal courtyards and spacious inside, in the medieval town of Benissa.

If you want to enjoy one of the best preserved historical centers in the **Costa Blanca**, a walk through the streets of Benissa takes you to the medieval age. A must visit is the “Catedral de la Marina”.

Benissa is well communicated through the motorway A-7 or the N332. The airports of Alicante or Valencia are approx. 1 hour drive. There is a TRAM train station in Benissa, which is connected to the network via Benidorm station.

The climate of Benissa is warm and template as in all the towns of the Costa Blanca. During the summer average daytime temperatures area around 30 degrees, during the winter daytime temperatures are 18 degrees.
