79estates would like to present this Impressive new development of 170 apartments with 2 and 3 bedrooms & sea views in Gran Alacant. With direct access to the blue flag beach of El Carabassi and very close to the commercial area, the development is ideally located with the cities of Alicante and Santa Pola being within a few minutes' drive. The apartments are arranged in a staggered format which takes advantage of the slope of the hillside and allows the creation of properties with large terraces, private gardens, and beautiful views of the sea. Some apartments have private gardens whilst others come with large terraces and penthouses with a private solarium are available. All homes include a garage space with pre-installation for electric vehicle charging and a storage room. They also have a complete installation of ducted air conditioning (hot/cold). The development has a large community area with both an adult's and children's po...
