A new construction project, a total of 16 individual luxury villas are being built at 450m from the beach in Playa Honda – Mar Menor. This specific model has 2 variants, a variant with 2 bedrooms, or a variant with 3 bedrooms. This two-bedroom villa has a built surface of 92 m², everything on the ground floor. From the garden, an outdoor staircase gives access to a large solarium of 76 m² which covers almost the entire roof surface. The villas are finished with the best materials and have a luxurious appearance. The interiors are modern and have abundant light. The private swimming pool and garden are optional. Playa Honda is one of the small villages that have grown up along the shores of the Mar Menor. There is a lovely fine sandy beach, a promenade that links it to Mar de Cristal, and a small village center with a selection of bars, cafes, and shops. There are stunning views from the beach across to the La Mang...
