Sea view villa for sale. Located in the peaceful area of Montemar, Benissa this Villa is just a 10 minute drive from the heart of Moraira with it's lively selection of restaurants and bars plus excellent shopping. The villa benefits from having off street parking along with a garage and is surrounded by a low maintenance and attractive landscaped garden with Mediterranean plants and stone walls. From the parking at street level, there are stairs up to the first level where the pool area and entrance to the guest apartment are. Another staircase takes you around the side of the villa to the the villa entrance. We enter the property into a bright living room with large windows and sea views. As you walk through you approach the kitchen/dining area where you can enjoy a newly refurbished, fully fitted kitchen. All rooms have a contemporary style but retain traditional features including wooden beams, a wood burning stove and a double height ceiling.
