We are proud to present this wonderful apartment in a perfect southwest location. The apartment is right on the marina of Guardamar del Segura with its cozy restaurants and cafés. The apartment is spacious and bright with large windows, from several of them you have a view of the beautiful pool area. The living room has space for a dining table and there is a serving hatch into the separate kitchen. From the living room you come out on the fantastic terrace which is located in the perfect southwest location where you can enjoy the sun. There are 2 bedrooms and 2 bathrooms, one is directly adjacent to the master bedroom. There is also a private parking space within the fenced area. The apartment is sold fully furnished and equipped so just move right in! In the private area where the apartment is located there is a large, delicious pool area, tennis court, basketball, table tennis and even its own mini golf course! The community's pool and park ar...
