Plot of land for sale in Buenavista, Benissa Costa. Empty plot of land for construction of a modern design villa for sale, the land has already been prepared for the construction of the villa and the project from the town hall is already paid. The sale of the land includes the paid project and the cost of clearing the land (40.000 euros in total), the current owner is selling because of personal matters. The building land is located in the area of Buenavista on the coast of Benissa, 1 km from the two beach areas of Cala Advocat and Cala Llobella.
