An excellent townhouse is on the market, four corners in a quiet urbanization, without noise, and close to the La Zenia Boulevard shopping center. The deed house had three bedrooms, but the current owners reformed and converted the ground floor into a much more spacious area, making the dining room larger. In 2018 completely renovated the house with high-quality materials and designer furniture. The kitchen has a breakfast bar, living room, and toilet on the ground floor. Two double bedrooms are on the first floor with fitted wardrobes and air conditioning machines. The main bedroom has a balcony. In addition, on the first floor, there is a bathroom with a shower tray and a glass partition embedded in the floor. On the third floor, there is the solarium. Half was closed with aluminum for laundry use. The other half is open from where you can see the sea and the La Zenia Boulevard shopping center. The urbanization is closed with automatic gates. ...
