With the Montgó mountain behind this wonderful luxury villa, we are located on a flat plot, a beautiful home to enjoy all year round. The villa is distributed over two floors. On the first floor we find a very spacious and totally open naya, making this place a perfect place to enjoy the wonderful open views and the infinity pool. We continue through the entrance hall that leads us to the beautiful living room and dining room, boasting a wonderful light all day. The American design kitchen, fully equipped with high quality. We continue to access two double bedrooms with their appropriate built-in wardrobes, a bathroom with a shower and a courtesy toilet. Upon accessing the first floor, we find another totally independent room. Two double bedrooms with a dressing room included in each of them. Both bedrooms have en-suite bathrooms with a bathtub and shower each. Mention the fantastic open terrace for those cool summer nights. ...

key features
