Project for a luxury villa to be built in the Montemar area of the Benissa coast with sea views and views to Peñón de Ifach. This villa, with exposed paneled concrete finishes, has 4 floors that are connected with an elevator and an internal staircase. The ground floor has a large open living-dining-kitchen area and a toilet. The kitchen is fully equipped and it has a cooking island. Sliding doors at ceiling height give direct access to a spacious terrace and a pool. The upper floor has two bedrooms with en-suite bathrooms and a terrace. The property has 2 basements. The basement number 1 has another two bedrooms, each with its own bathroom and a laundry room. The basement number 2 includes the gym, the wine cellar and a garage with capacity for 4 cars. The house has air condition...
