A new villa project is being developed in the exclusive Lo Romero Golf Resort in Costa Blanca South. The resort features an 18-hole golf course, a clubhouse, a driving range, a hotel, shops, and a sports and leisure centre. The nearest town, Pilar de Horadada, is just 10 minutes away and offers a complete selection of daily amenities. While the area is well-known for its golf facilities, there are also numerous sports activities available at the impressive municipal sports centre, including tennis, padel, various football fields, an indoor pool, and a gym. Additionally, the coastal area of Torre de la Horadada is just 5 km from the resort, boasting beautiful golden-sand beaches. The road network provides quick access to other tourist destinations such as San Pedro del Pinatar, Murcia, and Cartagena to the south, and Torrevieja, Guardamar del Segura, and Alicante to the north. Both Murcia and Alicante airports are approximately 40 and 55 minutes...
