The new villa project is located within the exclusive La Finca Golf resort, only 20 minutes from the splendid beaches of Guardamar on the Costa Blanca South. The resort boasts a commercial centre with various daily necessities and restaurants, a 5-star hotel with spa facilities, an impressive 18-hole golf course, and a fantastic Clubhouse with multiple sports facilities. In addition, the neighbouring towns of Algorfa, Quesada, and Benijofar complement the services available within the resort, including banks and pharmacies, a medical centre, and even an international school. The resort is easily accessible from two major highways, making reaching Alicante airport in just 40 minutes possible. The modern villas are built on one level with a solarium featuring three bedrooms and two bathrooms and are situated on plots ranging from 236m² - 316m². The main living area is spacious, including an open-plan lounge, dining area, kitchen, and large window...
