If you would like to live in a house with 180° views of the sea and the rock of Calpe, don't hesitate and take a look at this project. A18 is a project designed with the aim of taking advantage of the luminosity and panoramic views of the Mediterranean offered by the south facing plot. A construction of 3 bedrooms, 3 bathrooms, living-dining room with open kitchen, swimming pool and much more will make this project your dream come true. Do not hesitate and contact us for more information and to organize a visit.
