Discover this beautifully renovated, contemporary detached villa located in the residential heart of Ciudad Quesada, Rojas. Set on a generous 500 m² plot, this stylish south-facing home combines modern design with spacious, comfortable living across two levels — ideal as a family residence or luxury holiday home on the Costa Blanca. The villa offers 132 m² of built-up living space, featuring five well-proportioned bedrooms and three modern bathrooms, providing excellent flexibility for family living, guest accommodation, or rental potential. Bright open-plan living areas flow seamlessly onto outdoor terraces and garden spaces, creating a perfect indoor-outdoor lifestyle. Outside, the property truly shines. The elegantly landscaped garden includes paved terraces designed for relaxation and entertaining, along with a private heated swimming pool (8 × 4 m) for year-round enjoyment. A covered outdoor kitchen and bar area make a...
