Bright and inviting south-facing apartment with sunshine all day. The property has a cosy living room with an open plan kitchen, two bedrooms and one bathroom. From the kitchen there are stairs up to the roof terrace, where you will find both an outdoor kitchen and a jacuzzi - perfect for relaxation and social gatherings. It features two great outdoor spaces - a front terrace with a pergola for shade and comfort, plus a private rooftop terrace perfect for relaxing or entertaining. The owner has made significant upgrades in recent years, and the home appears in very good condition. It is sold partly furnished, including appliances, and there is installed air conditioning. In addition, the residents have access to as many as 3 large swimming pools. It has also been decided in the urbanisation that those who want a rental license can apply for it, against an increase of the common expenses of 20%. Just a 10-minute walk away you will find the pop...
