A house with soul, a house that embraces □□ Legend has it that long ago, on the hills of Benissa, where the pine trees whispered to the sea breeze, a shepherd would climb to the highest point each morning to greet the rising sun. He believed the sun's golden light was a blessing, and he would leave a small stone on the path as an offering. Over the years, a trail of stones led from the hills to the shore, guiding travelers with the promise of light and sea. □□ This house stands where the last stone rests, a home that honors the journey, embraces the breeze, and offers a view that connects the land with the endless horizon. □□ This is a story of transformation - an architectural rebirth that pays tribute to the past while embracing a serene, contemporary lifestyle. Nestled in La Fustera, in a consolidated neighborhood just 800 m from the beach, and steps from restaurants and the rhythm of everyday life, this home stands quietly...
