New residential development in San Pedro del Pinatar, a popular town for local and international visitors and offers a wide variety of daily services all year-'round. The AP7 and N332 connect San Pedro with other major urban centers, like Murcia, Orihuela Costa, and Alicante. The residential complex consists of terraced villas on one level with 3 bedrooms, 2 bathrooms, a private solarium, and parking on the premises. As well as apartments in two models: ground floor with 3 bedrooms, large terrace and parking; and top floor with 2 bedrooms, private solarium and designated parking in the communal parking. All properties have been designed with a spacious open-plan living area, which combines the lounge, dining area, and kitchen, and opens onto a large terrace. The communal area, in the center of the complex, includes a large pool and garden area. The properties include pre-installed AC, standard lighting pack, white goods, and underfloor heati...
